

TAKE THE VETERINARY SURGICAL SERVICES PRE-ADMISSION TEST!

1. For your appointment, you should bring:

- A. your pet
- B. pertinent medical records including copies of x rays
- C. any medications or special diet
- D. a credit card or cash
- E. all of the above

Answer: E. All of the above

2. T or F

There are 2 veterinary clinics on Paula Drive.

A: True. Our friend Dr. Kim is across the street and is the first veterinarian you see. We are located at 7512 Paula Drive.

3. T or F

I shouldn't worry about making my pet fast . He/she will be fine for x rays.

Answer: False

Even the most amenable pets will sometimes need sedation for x rays. We make every attempt to do recheck X-rays without sedation, however we do ask for your patience and understanding if we determine that it is best to sedate your pet for any procedure.

4. An ACVS surgeon is someone who:

- A. has attended a few courses in surgery after graduation from veterinary school
- B. is self-taught in surgery and has bought the latest new fad in equipment
- C. has undergone 4-6 years of structured intensive training in surgery, post-graduation from vet school
- D. has passed a rigorous 3 day exam administered by ACVS (American College of Veterinary Surgeons)

Answers: C and D

5. Veterinary Surgical Services . . .

- A. cares about my pet and wants to make a difference
- B. has overnight care Mondays, Tuesdays, Wednesdays and Thursdays to tend to my pet's needs
- C. will communicate with my veterinarian via letter within 7 days of my visit
- D. practices the best surgical methods to minimize complications and maximize healing potential

Answer: all of the above

How did you do?
